Summary

Result-driven Frontend Developer with 3.5+ years of experience focused on building clean, pixel-perfect, responsive, scalable and performance-optimized web applications using modern technologies.

Work Experience

Sr. Front End Developer | TwinSpark Technology Private Limited

Lucknow, India (226012)

(Apr 2025 - Present)

- Developed pixel-perfect fully functional, accessible, responsive websites using HTML, CSS, JavaScript, jQuery, Bootstrap, SCSS, and other modern frontend frameworks/libraries.

SE | Front End Developer | Singsys Pte. Ltd.

Lucknow, India (226025)

(Feb 2022 - Jan 2025)

- Developed and maintained user-facing features using HTML, CSS, JavaScript, TypeScript jQuery, React.js, Bootstrap, Tailwind CSS, and other modern frontend libraries.
- Collaborated with designers and backend developers to create responsive, visually appealing interfaces.
- Integrated RESTful APIs to fetch and display dynamic content on the frontend.
- Managed application state with Context API and Redux Toolkit for efficient data flow.
- Optimized page load times by 40% using lazy loading and code splitting techniques.
- Developed reusable components for faster development and consistent UI across projects.
- Created custom hooks to enhance code modularity and maintainability.
- Implemented PWA features and dark mode functionality (custom and automated).
- Integrated accessibility features (location gathering, keyboard navigation, and mouse interactions).
- Utilized AOS, GSAP, and Framer Motion for animations to enhance user experience.
- Optimized website performance and ensured cross-browser compatibility.
- Mentored junior developers, guiding them on best practices, code structure, debugging and problem-solving.

Web Development Intern | Techpile Technology Pvt. Ltd. | Lucknow

Lucknow, India (226022)

(Sep 2021 - Feb 2022)

- Gained proficiency in HTML, CSS, JavaScript, jQuery, Bootstrap, RWD (Responsive Web Design), PHP, WordPress & Elementor.
- Applied mobile-first design principles using Bootstrap, Tailwind CSS, Flexbox, & CSS Grid.
